

NEPA Deputy Project Manager/Environmental Scientist

Description

Blanton & Associates, Inc. seeks a NEPA Deputy Project Manager/Environmental Scientist to assist with the preparation of NEPA documentation for transportation projects in our Austin, Texas, office. This position will assist with preparing Environmental Impact Statements, Environmental Assessments, and Categorical Exclusions.

Responsibilities will include:

- Preparing environmental documentation, including NEPA documentation, technical reports, and permit applications.
- Conducting literature research and data collection for environmental investigations and documentation.
- Completing Indirect and Cumulative Impact Analyses.
- Public Involvement, agency consultation, and planning.
- Conducting fieldwork and attending meetings, as needed or required.

Qualifications

A master's degree in environmental sciences, transportation planning, environmental planning, or similar discipline. Relevant work experience may be substituted for advanced degree. Local candidates are preferred.

3+ years relevant professional work experience. Work experience should include preparing NEPA documentation, preferably for Texas Department of Transportation (TxDOT) projects, and environmental permit applications. TxDOT Pre-Certification a plus.

Working knowledge of environmental regulations, including NEPA, Section 106 of the National Historic Preservation Act, Section 7 of the Endangered Species Act, Section 404 of the Clean Water Act, Section 10 of the Rivers and Harbors Act, among others.

Computer skills should include the MS Office Suite. Excellent technical writing and communication skills required. (A writing sample may be requested.)

Please send cover letter, resume, and three professional references to jobs@blantonassociates.com. Position is open until filled. We thank all applicants for their interest; however only those selected for an interview will be contacted. No phone calls, please.

Compensation

This is a full time, salaried position with medical, dental, and vision insurance provided. A 401(k) plan with profit sharing is included in the benefit package. Pay commensurate with experience.

Company Description
