

Cartographer/GIS Analyst

Description

Blanton & Associates, Inc. seeks a Cartographer/GIS Analyst based in our Austin, Texas office for work on a broad range of ongoing assignments in support of National Environmental Policy Act (NEPA) document preparation and solutions related to compliance with federal, state, and local environmental regulations. The Analyst will provide GIS support for professional biologists, planners, and project managers; create, manipulate, map, and manage data, including engineering; interact with other GIS and mapping specialists; and help integrate new GIS technologies.

Qualifications

Requirements: A master's degree in Geographic Information Science and /or 5+ years relevant professional work experience. Extensive knowledge of the principles of Geographic Information and Cartography. Local candidates are highly preferred.

Skills: Preference will be given to candidates with additional practical experience. Excellent verbal and written communication skills required.

Software experience should include:

- ESRI (ArcGIS Pro, ArcGIS Desktop)
- ESRI Extensions (Spatial Analyst and 3D Analyst)
- ESRI Field Maps Application
- Web Mapping (ArcGIS Online or ArcGIS Enterprise)

Additional preferred software experience:

- MS Office Suite
- Adobe Photoshop
- Bentley MicroStation

Please send cover letter, resume, and three professional references to jobs@blantonassociates.com. Position is open until filled. We thank all applicants for their interest; however, only those selected for an interview will be contacted. No phone calls, please.

Compensation

This is a full time, salaried position with medical, dental, and vision insurance provided. A 401(k) plan with profit sharing is included in the benefit package. Competitive pay commensurate with experience.
